ANNEXURE TO THE NOTICE

EVSN: 210901083

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Monday, 27th September, 2021 (09:00 A.M IST) and ends on Wednesday, 29th September, 2021(05:00 P.M IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 23rd September, 2021 may cast their vote electronically. The Remote e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

Independent Auditor's Report

To the Members of Shantnu Investments (India) Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of Shantnu Investments (India) Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the **Companies Act, 2013** ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the **Companies (Indian Accounting Standards) Rules, 2015**, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the Profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Shareholder's Information, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard due to non availability of those informations.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure “A” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Shantnu Investments (India) Limited of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Shantnu Investments (India) Limited (“the Company”) as of March 31, 2021 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the [Guidance Note on Audit of Internal Financial Controls Over Financial Reporting](#) (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Shantnu Investments (India) Limited of even date)

i. In respect of the Company's fixed assets:

(a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.

(b) The Company has a program of verification to cover all the items of fixed assets in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.

(c) According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds / registered sale deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date. In respect of immovable properties of land and building that have been taken on lease and disclosed as fixed assets in the Financial Statements, the lease agreements are in the name of the Company.

ii. According to the information & explanation given to us and on the basis of our examination of the records of the company, The inventory includes land, construction WIP, construction and development material. Physical verification of the same has been conducted by the management at proper interval and no material discrepancies were noticed on such verification.

iii. During the year, the company has not granted any loan, secured or unsecured to the Companies, firms or other parties covered in the register maintained under section 189 of Companies Act 2013. Thus clause 3(iii)(a), (b) of the CARO 2016 are not applicable to the company during the year under audit.

iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.

v. The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2021 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.

vi. As informed to us the company is not falling under the threshold limit of companies reporting to maintain cost audit prescribed by central government under section 148(1) of the Companies Act, 2013 during the course under audit.

vii. According to the information and explanations given to us, in respect of statutory dues:

(a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.

(b) There were no undisputed amounts payable in respect of Income Tax, Goods and Service Tax, and other material statutory dues in arrears as at March 31, 2021 for a period of more than six months from the date they became payable.

(c) According to the information and explanations given to us, the material dues including income-tax, Goods and services tax, or cess which have not been deposited with the appropriate authorities on account of any dispute are as below:

Name of Statute	Nature of Dues (AY)	Amount (Rs.)
UP VAT ACT	VAT DEMAND	50,73,722
CST ACT	CST DEMAND	10,00,000
UP ENTRY TAX ACT	ENTRY TAX	1,00,000

viii. The Company has not made any default in repayment of any loans or borrowings from financial institutions, banks and government.

ix. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause 3 (ix) of the Order is not applicable to the Company.

x. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.

xi. In our opinion and according to the information and explanations given to us, the Company has paid / provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.

xii. The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable to the Company.

xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the Financial Statements as required by the applicable accounting standards.

xiv. During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence reporting under clause 3 (xiv) of the Order is not applicable to the Company.

xv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

2. Significant Accounting policies

2.1 Basis of Preparation and Presentation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (IND AS) as notified by the Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 ('Act') read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act and rules made thereunder.

The accounting policies are applied consistently to all the periods presented in the Financial Statements.

The financial statements have been prepared and presented as a going concern entity on a historical cost convention and on an accrual basis except for certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments).

Company's financial statements are presented in India Rupees, which is also its functional currency.

These Financial Statements were approved by the Board of Directors and authorized for issue on 30th June 2021.

2.2 Basis of classification of Current and Non-Current

Assets and Liabilities in the Balance Sheet have been classified as either current or non-current.

An asset has been classified as current if:-

- It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle; or
- It is held primarily for the purpose of being traded; or
- It is expected to be realized within twelve months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets have been classified as non-current.

A liability has been classified as current when

- It is expected to be settled in the Company's normal operating cycle; or
- It is held primarily for the purpose of being traded; or
- It is due to be settled within twelve months after the reporting date; or

- The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other liabilities have been classified as non-current.

An operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents.

2.3 Use of Estimates and Assumptions

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in the current and future period.

2.4 Business Combinations under Common Control

Common control business combination where the Company is transferee is accounted using the pooling of interest method. Assets and liabilities of the combining entities are reflected at their carrying amounts and no new asset or liability is recognised. Identity of reserves of the transferor company is preserved by reflecting them in the same form in the Company's financial statements in which they appeared in the financial statement of the transferor company.

The financial information in the financial statements in respect of prior periods is restated from the beginning of the preceding period in the financial statements if the business combination date is prior to that date. However, if business combination date is after that date, the financial information in the financial statements is restated from the date of business combination.

2.5 Property, Plants and Equipments

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use.

Capital work-in-progress comprises cost of property, plant and equipment and related expenses that are not yet ready for their intended use at the reporting date. Advances given towards acquisition of property, plant and equipment outstanding at each balance sheet date are disclosed as Capital Advances under other non-current assets.

Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

2.6 Depreciation/ Amortization

Depreciation on all the assets have been provided at the rates and in the manner prescribed in Schedule II of the Act on Written Down Value Method.

Useful Life of the Assets which are being used in **Single shift** as prescribed as per Schedule II, have been given below:-

Category of Assets	Estimated Useful Life as per Schedule II to Companies Act, 2013
Transmission Line, Tunneling Equipments	10 Years
General Furniture and Fixtures	10 Years

Motor Vehicles (Motor Cycles,scooters,and other mopeds)	10 Years
Computers and data processing unit(End user devices such as desktops and Laptops)	03 Years
Concreting, Crushing, Piling and Road Making Equipments	12 Years
Heavy Lift Equipment's (Cranes capacity less than 100 Tons)	15 Years
Earth Moving Equipments	09 Years

Useful Life of the Assets which are being used in **Double shift** and on which extra shift depreciation is prescribed as per Schedule II, have been estimated as below:-

Category of Assets	Estimated Useful Life as per Schedule II to Companies Act, 2013
Concreting, Crushing, Piling and Road Making Equipments	8 Years
Heavy Lift Equipment's (Cranes capacity less than 100 Tons)	10 Years
Earth Moving Equipments	6 Years

Depreciation on additions to assets or on sale / disposal of assets is calculated on the basis of Pro-rata basis from date of such addition or up to the month of such sale / scrapped, as the case may be.

2.7 Investment in Subsidiaries, Joint Ventures and Associate

Investments in Equity Shares of subsidiaries, Joint Ventures and Associate are recorded at cost and reviewed for impairment at each reporting date.

2.8 Financial Instruments

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets and financial liabilities are offset against each other and the net amount reported in the balance sheet if, and only if, there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, or to realize the assets and settle the liabilities simultaneously.

i. Financial Assets

Financial assets are divided into the following categories:

- a. financial assets carried at Amortised cost
- b. financial assets at fair value through Other comprehensive income

c. financial assets at fair value through profit and loss;

Financial assets are assigned to the different categories by management on initial recognition, depending on the nature and purpose of the financial assets. The designation of financial assets is re-evaluated at every reporting date at which a choice of classification or accounting treatment is available.

Financial Assets like Investments in Subsidiaries are measured at Cost as allowed by Ind-AS 27 –

Separate Financial Statements and hence are not fair valued.

ii. Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. These are non-derivative financial assets that are not quoted in an active market. Loans and receivables (including trade and other receivables, bank and cash balances) are measured subsequent to initial recognition at amortized cost using the effective interest method, less provision for impairment. Any change in their value through impairment or reversal of impairment is recognized in the Statement of profit and loss.

In accordance with Ind AS 109: Financial Instruments, the Company recognizes impairment loss allowance on trade receivables and content advances based on historically observed default rates. Impairment loss allowance recognized during the financial year is charged to Statement of profit and loss.

iii. Financial assets at fair value through other comprehensive income

Financial assets at fair value through other comprehensive income are non-derivative financial assets held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses in the statement of profit and loss.

iv. Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. It includes non-derivative financial assets that are either designated as such or do not qualify for inclusion in any of the other categories of financial assets. Gains and losses arising from investments classified under this category is recognized in the Statement of profit and loss when they are sold or when the investment is impaired.

v. Impairment of Financial Assets

In the case of impairment, any loss previously recognized in other comprehensive income is transferred to the Statement of profit and loss. Impairment losses recognized in the Statement of profit and loss on equity instruments are not reversed through the Statement of profit and loss.

Impairment losses recognized previously on debt securities are reversed through the Statement of profit and loss when the increase can be related objectively to an event occurring after the impairment loss was recognized in the Statement of profit and loss.

When the Company considers that fair value of financial assets can be reliably measured, the fair values of financial instruments that are not traded in an active market are determined by using valuation techniques. The Company applies its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at each balance sheet date.

Equity instruments measured at fair value through profit or loss that do not have a quoted price in an active market and whose fair value cannot be reliably measured are measured at costless impairment at the end of each reporting period.

An assessment for impairment is undertaken at least at each balance sheet date.

vi. Derecognition of Financial Assets

A financial asset is derecognized only where the contractual rights to the cash flows from the asset expire or the financial asset is transferred and that transfer qualifies for derecognition. A financial asset is transferred if the contractual rights to receive the cash flows of the asset have been transferred or the Company retains the contractual rights to receive the cash flows of the asset but assumes a contractual obligation to pay the cash flows to one or more recipients. A financial asset that is transferred qualifies for derecognition if the Company transfers substantially all the risks and rewards of ownership of the asset, or if the Company neither retains nor transfers substantially all the risks and rewards of ownership but does transfer control of that asset.

vii. Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company is recognised at the proceeds received, net of direct issue costs.

viii. Financial Liabilities

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition they are classified as financial liabilities at fair value through profit or loss.

ix. Subsequent measurement

Financial liabilities are subsequently measured at amortized cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

x. Derecognition of Financial Liability

A financial liability is derecognized only when the obligation is extinguished, that is, when the obligation is discharged or cancelled or expires. Changes in liabilities' fair value that are reported in profit or loss are included in the Statement of profit and loss within finance costs or finance income.

xi. Impairment of Non-Financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value which is in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

2.9 Income taxes, Deferred Taxes and Minimum Alternative Taxes

Tax expense comprises current income tax and deferred tax. Current income-tax expense is measured at the amount expected to be paid to the taxation authorities in accordance with the Income-tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred tax is provided using the balance sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, the carry forward of unused tax credits and unused tax losses can be utilised.

Income Tax (Deferred tax and Current tax) relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off, current tax assets against current tax liabilities and the deferred taxes relate to the income tax levied by the same taxation authority.

Minimum Alternative Tax (MAT) may become payable when the taxable profit is lower than the book profit. Taxes paid under MAT are available as a set off against regular corporate tax payable in subsequent years, as per the provisions of Income Tax Act. MAT paid in a year is charged to the Statement of profit and loss as current tax.

The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the Statement of profit and loss and shown as "MAT Credit Entitlement."

2.10 Revenue Recognition

Persuant to the application of IND AS 115-'Revenue from Contract with Customers' effective from 1st April 2018, the Company has applied following accounting policy for revenue recognition:-

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. Revenue is shown as net of all applicable taxes and discounts.

Revenue from Operations & Maintenance contracts is recognized pro-rata over the period of the contract, as per the terms of the contract.

Interest Income is accounted on time proportionate basis using effective interest rate method.

Unbilled revenue represents value of services performed in accordance with the contract terms but not billed.

2.11 Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116.

Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option.

In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease.

The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

2.12 Borrowing Cost

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other

borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

2.13 Inventory

Inventories are measured at the lower of cost and net realizable value after providing for obsolescence, if any. Cost of finished goods and work-in-progress include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. The net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

2.14 Provisions, Contingent liabilities and Contingent Assets

Depending upon the facts of each case and after due evaluation of legal aspects, claims against the Company are accounted for as either provisions or disclosed as contingent liabilities. In respect of statutory dues disputed and contested by the Company, contingent liabilities are provided for and disclosed as per original demand without taking into account any interest or penalty that may accrue thereafter.

The Company creates a provision when there is a present obligation as a result of past event that probably requires an outflow of resources and reliable estimates can be made of the amount of obligation. A disclosure of contingent liability is made when there is possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of the obligation cannot be made. Contingent assets are not recognized but disclosed in the financial statements, where economic inflow is probable.

2.15 Employee benefits

Short term employee benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized during the year when the employees render the service. These benefit includes performance incentive, salaries and wages, bonus and leave travel allowance and other welfare and terminal benefits (incl. ex gratia payments).

Post Employment Benefits

(i) Defined Contribution Plans

The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service.

(ii) Defined Benefit Plan

The Company is liable to pay gratuity to the employees as per the Payment of Gratuity Act 1972.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services as per the Actuary Valuation.

2.16 Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders of the Company by the weighted average number of the equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit or loss for the year attributable to equity shareholders of the Company and the weighted average number of

shares outstanding during the year is adjusted for the effect of all dilutive potential equity shares.

2.17 Cash and Cash Equivalents

Cash and cash equivalent consists cash in hand and Balances in banks which are unrestricted for withdrawal and usage. The company considers all highly liquid financial instruments, which are readily convertible into known amount of cash that are subject to an insignificant risk of change in value and having maturities of three months or less from the date of purchase, to be cash equivalents.

- (ii) The management assessed that the fair values of cash and cash equivalents, trade receivables, other financial assets, trade payables and other financial liabilities approximates their carrying amounts largely due to the short-term maturities of these instruments.

38 Financial Risk Management

The Company has a Risk Management Policy which covers risk associated with the financial assets and liabilities. The different types of risk impacting the fair value of financial instruments are as below:

a) **Credit Risk**

The credit risk is the risk of financial loss arising from counter party failing to discharge an obligation. The credit risk is controlled by analysing credit limits and credit worthiness of customers on continuous basis to whom the credit has been granted.

The Company also monitors outstanding trade receivables regularly and takes timely corrective / legal action for recovery.

Judgments are required in assessing the recoverability of overdue trade receivable. The company follows the simplified approach for recognition of impairment loss. The expected credit loss is based on historical loss experience and analysis of individual customer account balances.

b) **Market Risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The company is not exposed to any market risk.

SHANTNU INVESTMENTS (INDIA) LIMITED**Notes forming part of the financial statements as at 31 March 2021****c) Liquidity Risk**

The Company determines its liquidity requirement in the short, medium and long term. This is done by drawings up cash forecast for short term and long term needs.

The Company manage its liquidity risk in a manner so as to meet its normal financial obligations without any significant delay or stress. Such risk is managed through ensuring operational cash flow while at the same time maintaining adequate cash and cash equivalent position. The management has adopted a policy of managing assets with liquidity monitoring future cash flow and liquidity on a regular basis. Surplus funds not immediately required are invested in fixed deposit which provide flexibility to liquidate.
