Independent Auditor's Report

To the Members of Shantnu Investments (India) Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Shantnu Investments (India) Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the **Companies Act**, **2013** ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the **Companies (Indian Accounting Standards) Rules**, **2015**, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard due to non availability of those informations.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company

and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to
 design audit procedures that are appropriate in the circumstances. Under section
 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether
 the Company has adequate internal financial controls system in place and the
 operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Annexure "A" to the Independent Auditor's Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Shantnu Investments (India) Limited of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Shantnu Investments (India) Limited ("the Company") as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the <u>Guidance Note on Audit of Internal Financial Controls Over Financial Reporting</u> (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Shantnu Investments (India) Limited

Notes to Financial Statements

1. Company Overview

Shantnu Investments (India) Limited ("the Company") is a public limited listed company incorporated under the Companies Act, 1956(now replaced by the Companies Act, 2013). The Company is engaged in the business of Commission Income/Interest Income/Sale & Purchase of Shares/Securities and Trading of Goods (Construction Material).

The registered office of the company is located DSC-319, DLF South Court, Saket, New Delhi-110017

2. Summary of Significant Accounting policies

2.1 Basis of Preparation and Presentation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (IND AS) as notified by the Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 ('Act') read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act and rules made thereunder.

The Financial Statements up to the financial year ended 31st March, 2018 were prepared in accordance with accounting standards as per Companies (Accounting Standard) Rules, 2006 (as amended) as notified under Section 133 of the Act and other relevant provision of the Act (and rules thereunder (referred as "Indian GAAP") or "Previous GAAP").

This Financial Statements for the financial year ended 31st March, 2019 are the first Financial Statements of the Company under Ind AS. Refer Note 30 for an explanation how the transition from previous GAAP to Ind AS has affected the Company's financial Position, financial performance and Cash flows.

These Financial Statements were approved by the Board of Directors and authorised for issue on 30th May, 2019.

The accounting policies are applied consistently to all the periods presented in the Financial Statements, including the preparation of the opening Ind AS Balance Sheet as at 1st April, 2017 being the date of transition to Ind AS.

The financial statements have been prepared and presented as a going concern entity on a historical cost convention and on an accrual basis except for certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments).

Company's financial statements are presented in India Rupees, which is also its functional currency.

2.2 Basis of classification of Current and Non-Current

Assets and Liabilities in the balance sheet have been classified as either current or non-current.

An asset has been classified as current if

- It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle; or
- It is held primarily for the purpose of being traded; or
- It is expected to be realized within twelve months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets have been classified as non-current.

A liability has been classified as current when

- It is expected to be settled in the Company's normal operating cycle; or
- It is held primarily for the purpose of being traded; or
- It is due to be settled within twelve months after the reporting date; or
- The Company does not have an unconditional right to defer settlement of the liability for atleast twelve months after the reporting date.

All other liabilities have been classified as non-current.

An operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents.

2.3 Use of estimates

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in the current and future period.

2.4 Property, Plant and equipment

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use.

Capital work-in-progress comprises cost of property, plant and equipment and related expenses that are not yet ready for their intended use at the reporting date. Advances given towards acquisition of property, plant and equipment outstanding at each balance sheet date are disclosed as Capital Advances under other non-current assets.

Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognized.

2.5 Depreciation/ Amortization

Depreciation on all the assets have been provided at the rates and in the manner prescribed in Schedule II of the Act on Written Down Value Method. Useful Life of the Assets which are being used in Single shift as prescribed as per Schedule II, have been given below:

Computers and data processing units(End user devices : 3 Years such as destops and Laptops)

Depreciation on additions to assets or on sale / disposal of assets is calculated on the basis of Pro rata basis from date of such addition or up to the month of such sale / scrapped, as the case may be.

2.6 Financial Instruments

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets and financial liabilities are offset against each other and the net amount reported in the balance sheet if, and only if, there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, or to realize the assets and settle the liabilities simultaneously.

i. Financial Assets

Financial assets are divided into the following categories:

- a. financial assets carried at amortised cost
- b. financial assets at fair value through other comprehensive income
- c. financial assets at fair value through profit and loss;

Financial assets are assigned to the different categories by management on initial recognition, depending on the nature and purpose of the financial assets. The designation of financial assets is re-evaluated at every reporting date at which a choice of classification or accounting treatment is available.

Financial Assets like Investments in Subsidiaries are measured at Cost as allowed by Ind-AS 27 – Separate Financial Statements and hence are not fair valued.

ii. Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. These are non-derivative financial assets that are not quoted in an active market. Loans and receivables (including trade and other receivables, bank and cash balances) are measured subsequent to initial recognition at amortized cost using the effective interest method, less provision for impairment. Any change in their value through impairment or reversal of impairment is recognized in the Statement of profit and loss.

In accordance with Ind AS 109: Financial Instruments, the Company recognizes impairment loss allowance on trade receivables and content advances based on historically observed default rates. Impairment loss allowance recognized during the financial year is charged to Statement of profit and loss.

iii. Financial assets at fair value through other comprehensive income

Financial assets at fair value through other comprehensive income are non-derivative financial assets held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses in the statement of profit and loss.

iv. Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. It includes non-derivative financial assets that are either designated as such or do not qualify for inclusion in any of the other categories of financial assets. Gains and losses arising from investments classified under this category is recognized in the Statement of profit and loss when they are sold or when the investment is impaired.

v. Impairment of Financial Assets

In the case of impairment, any loss previously recognized in other comprehensive income is transferred to the Statement of profit and loss. Impairment losses recognized in the Statement of profit and loss on equity instruments are not reversed through the Statement of profit and loss.

Impairment losses recognized previously on debt securities are reversed through the Statement of profit and loss when the increase can be related objectively to an event occurring after the impairment loss was recognized in the Statement of profit and loss.

When the Company considers that fair value of financial assets can be reliably measured, the fair values of financial instruments that are not traded in an active market are determined by using valuation techniques. The Company applies its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at each balance sheet date.

Equity instruments measured at fair value through profit or loss that do not have a quoted price in an active market and whose fair value cannot be reliably measured are measured at costless impairment at the end of each reporting period.

An assessment for impairment is undertaken at least at each balance sheet date.

vi. Derecognition of Financial Assets

A financial asset is derecognized only where the contractual rights to the cash flows from the asset expire or the financial asset is transferred and that transfer qualifies for derecognition. A financial asset is transferred if the contractual rights to receive the cash flows of the asset have been transferred or the Company retains the contractual rights to receive the cash flows of the asset but assumes a contractual obligation to pay the cash flows to one or more recipients. A financial asset that is transferred qualifies for derecognition if the Company transfers substantially all the risks and rewards of ownership of the asset, or if the Company neither retains nor transfers substantially all the risks and rewards of ownership but does transfer control of that asset.

vii. Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company is recognised at the proceeds received, net of direct issue costs.

viii. Financial Liabilities

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition they are classified as financial liabilities at fair value through profit or loss.

ix. Subsequent measurement

Financial liabilities are subsequently measured at amortized cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

x. Derecognition

A financial liability is derecognized only when the obligation is extinguished, that is, when the obligation is discharged or cancelled or expires. Changes in liabilities' fair value that are reported in profit or loss are included in the Statement of profit and loss within finance costs or finance income.

2.7 Income taxes

Tax expense comprises current income tax and deferred tax. Current income-tax expense is measured at the amount expected to be paid to the taxation authorities in accordance with the Income-tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred tax is provided using the balance sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, the carry forward of unused tax credits and unused tax losses can be utilised.

Income Tax (Deferred tax and Current tax) relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off, current tax assets against current tax liabilities and the deferred taxes relate to the income tax levied by the same taxation authority.

2.8 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. Revenue is shown as net of all applicable taxes and discounts.

Revenue from Operations & Maintenance contracts is recognized prorata over the period of the contract, as per the terms of the contract.

Interest Income is accounted on time proportionate basis using effective interest rate method.

2.9 Borrowing Cost

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

2.10Inventory

Inventories are measured at the lower of cost and net realizable value after providing for obsolescence, if any. Cost of finished goods and work-in-progress include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. The net realizable value is

the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

2.11Provisions, Contingent liabilities and Contingent Assets

Depending upon the facts of each case and after due evaluation of legal aspects, claims against the Company are accounted for as either provisions or disclosed as contingent liabilities. In respect of statutory dues disputed and contested by the Company, contingent liabilities are provided for and disclosed as per original demand without taking into account any interest or penalty that may accrue thereafter.

The Company creates a provision when there is a present obligation as a result of past event that probably requires an outflow of resources and reliable estimates can be made of the amount of obligation. A disclosure of contingent liability is made when there is possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of the obligation cannot be made. Contingent assets are not recognized but disclosed in the financial statements, where economic inflow is probable.

2.12Employee benefits

Short term employee benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized during the year when the employees render the service. These benefit includes performance incentive, salaries and wages, bonus and leave travel allowance and other welfare and terminal benefits (incl. ex gratia payments).

The Company does not makes any contribution to provident fund and Employees' State Insurance Funds due to non-applicability of such provision on the company as prescribed under the respective legislation Further no provision for encashment of leave and gratuity been made by the company.

2.13Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders of the Company by the weighted average number of the equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit or loss for the year attributable to equity shareholders of the Company and the weighted average number of shares outstanding during the year is adjusted for the effect of all dilutive potential equity shares.

2.14Cash and Cash Equivalents

Cash and cash equivalent consists cash in handand balances in banks which are unrestricted for withdrawal and usage. The company considers all highly liquid financial instruments, which are readily convertible into known amount of cash that are subject to an insignificant risk of change in value and having maturities of three months or less from the date of purchase, to be cash equivalents.

2.15First time adoption of Ind AS

For all periods, up to and including the financial year ended 31st March, 2018, the Company prepared its Financial Statements in accordance with accounting standards notified under the Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP or Previous GAAP).

These Financial Statements for the financial year ended 31st March, 2019 have been prepared in accordance with Indian Accounting Standards ("Ind-AS") consequent to the notification of the Companies (Indian Accounting Standards) Rules, 2015 (the Rules) issued by the MCA. (ii) The management assessed that the fair values of cash and cash equivalents, trade receivables, other financial assets, trade payables and other financial liabilities approximates their carrying amounts largely due to the short-term maturities of these instruments.

35. Financial Risk Management

The Company has a Risk Management Policy which covers risk associated with the financial assets and liabilities. The different types of risk impacting the fair value of financial instruments are as below:

a) Credit Risk

The credit risk is the risk of financial loss arising from counter party failing to discharge an obligation. The credit risk is controlled by analysing credit limits and credit worthiness of customers on continuous basis to whom the credit has been granted.

The Company also monitors outstanding trade receivables regularly and takes timely corrective / legal action for recovery.

Judgments are required in assessing the recoverability of overdue trade receivable. The company follows the simplified approach for recognition of impairment loss. The expected credit loss is based on historical loss experience and analysis of individual customer account balances.

b) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The company is not exposed to any market risk.

Notes forming part of the financial statements as at 31 March 2019

c) Liquidity Risk

The Company determines its liquidity requirement in the short, medium and long term. This is done by drawings up cash forecast for short term and long term needs.

The Company manage its liquidity risk in a manner so as to meet its normal financial obligations without any significant delay or stress. Such risk is managed through ensuring operational cash flow while at the same time maintaining adequate cash and cash equivalent position. The management has adopted a policy of managing assets with liquidity monitoring future cash flow and liquidity on a regular basis. Surplus funds not immediately required are invested in fixed deposit which provide flexibility to liquidate.

Independent Auditor's Report

To the Members of Shantnu Investments (India) Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Shantnu Investments (India) Limited (Hereinafter referred to as the "Holding Company") and its subsidiaries (Holding company and its subsidiaries together referred to as the "Group"), which comprise the Consolidated Balance Sheet as at March 31, 2019, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the **Companies Act**, **2013** ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the **Companies** (Indian Accounting Standards) Rules, **2015**, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Holding Company as at March 31, 2019, of consolidated profit and total consolidated comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard due to non availability of those informations.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated comprehensive income, consolidated changes in equity and consolidated cash flows of the Holding Company in accordance with the Ind AS and other accounting principles generally accepted in India. The

respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to
 design audit procedures that are appropriate in the circumstances. Under section
 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether
 the Company has adequate internal financial controls system in place and the
 operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis
 of accounting and, based on the audit evidence obtained, whether a material
 uncertainty exists related to events or conditions that may cast significant doubt on

the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the three entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143(3) of the Act, based on our audit we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Consolidated Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.

- d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors of the Holding company and its subsidiaries, none of the directors of the Group Company is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
- ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There was no amount which was required to be transferred to the Investor Education and Protection Fund by the company.

Annexure "A" to the Independent Auditor's Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Shantnu Investments (India) Limited of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Shantnu Investments (India) Limited ("the Company") and its subsidiaries as of March 31, 2019 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company and its subsidiaries is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiaries based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its subsidiaries.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reportingmaybecome inadequatebecauseof inconditions, or that the degree of compliance with the policies or procedures may deteri

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company and its subsidiaries has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2. Summary of Significant Accounting policies

2.1 Basis of Preparation and Presentation

The Consolidated financial statements of the Companies have been prepared in accordance with Indian Accounting Standards (IND AS) as notified by the Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 ('Act') read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act and rules made thereunder.

The Consolidated financial Statements up to the financial year ended 31st March, 2018 were prepared in accordance with accounting standards as per Companies (Accounting Standard) Rules, 2006 (as amended) as notified under Section 133 of the Act and other relevant provision of the Act (and rules thereunder (referred as "Indian GAAP" or "Previous GAAP").

This Consolidated financial Statements for the financial year ended 31st March, 2019 are the first Financial Statements of the Company under Ind AS. Refer Note 37 for an explanation how the transition from previous GAAP to Ind AS has affected the Company's financial Position, financial performance and Cash flows.

These Consolidated financial Statements were approved by the Board of Directors and authorized for issue on 30th May, 2019.

The accounting policies are applied consistently to all the periods presented in the Consolidated Financial Statements, including the preparation of the opening Ind AS Balance Sheet as at 1st April, 2017 being the date of transitionto Ind AS.

The Consolidated financial statements have been prepared and presented as a going concern entity on a historical cost convention and on an accrual basis except for certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments). Consolidated financial statements are presented in India Rupees, which is also its functional currency.

2.2 Principle of Consolidation

- (a) The financial statements of the Holding Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.
 - (b) Profits or losses resulting from intra-group transactions that are recognized in assets, such as Inventory is eliminated in full.
 - (c) Goodwill represents the difference between the Company's share in the net worth of subsidiaries and the cost of acquisition at each point of time of making the investment in the subsidiaries.
 - (d) The audited financial statements of subsidiaries have been prepared in accordance with the Ind AS.
 - (e) The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.
 - (f)The carrying amount of the parent's investment in each subsidiary is offset (eliminated) against the parent's portion of equity in each subsidiary.
 - (g) The Group accounts for its share of post-acquisition changes in net assets of Subsidiaries, after eliminating unrealized profits and losses resulting from transactions between the Group and its Subsidiaries.

2.3 Basis of classification of Current and Non-Current

Assets and Liabilities in the balance sheet have been classified as either current or non-current.

An asset has been classified as current if

- It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle; or
- It is held primarily for the purpose of being traded; or
- It is expected to be realized within twelve months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability forat least twelve months after the reporting date.

All other assets have been classified as non-current.

A liability has been classified as current when

- It is expected to be settled in the Company's normal operating cycle; or
- It is held primarily for the purpose of being traded; or
- It is due to be settled within twelve months after the reporting date; or
- The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other liabilities have been classified as non-current.

An operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents.

2.4 Use of estimates

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in the current and future period.

2.5 Property, Plant and equipment

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use.

Capital work-in-progress comprises cost of property, plant and equipment and related expenses that are not yet ready for their intended use at the reporting date. Advances given towards acquisition of property, plant

and equipment outstanding at each balance sheet date are disclosed as Capital Advances under other non-current assets.

Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

2.6 Depreciation/ Amortization

Depreciation on all the assets have been provided at the rates and in the manner prescribed in Schedule II of the Act on Written Down Value Method. Useful Life of the Assets which are being used in double shift and on which extra shift depreciation is prescribed as per Schedule II, have been estimated as below:

Concreting, Crushing, Piling and Road Making Equipment's : 8 Years
Heavy Lift Equipment's (Cranes capacity less than 100 Tons) : 10 Years
Earth Moving Equipment's : 6 Years

Useful Life of the Assets which are being used in Single shift as prescribed as per Schedule II, have been given below:

Transmission Line, Tunneling Equipment's : 10 Years
General Furniture and Fixtures : 10 Years
Computers and data processing units (End user devices : 3 Years

such as desktops and Laptops)

Motor Vehicles (Motor Cycles, scootersand other mopeds) : 10 Years

Depreciation on additions to assets or on sale / disposal of assets is calculated on the basis of Pro rata basis from date of such addition or up to the month of such sale / scrapped, as the case may be.

2.7 Financial Instruments

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

Financial assets and financial liabilities are offset against each other and the net amount reported in the balance sheet if, and only if, there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, or to realize the assets and settle the liabilities simultaneously.

i. Financial Assets

Financial assets are divided into the following categories:

- a. financial assets carried at amortized cost
- b. financial assets at fair value through other comprehensive income
- c. financial assets at fair value through profit and loss;

Financial assets are assigned to the different categories by management on initial recognition, depending on the nature and purpose of the financial assets. The designation of financial assets is re-evaluated at every reporting date at which a choice of classification or accounting treatment is available.

ii. Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. These are non-derivative financial assets that are not quoted in an active market. Loans and receivables (including trade and other receivables, bank and cash balances) are measured subsequent to initial recognition at amortized cost using the effective interest method, less provision for impairment. Any change in their value through impairment or reversal of impairment is recognized in the Statement of profit and loss.

In accordance with Ind AS 109: Financial Instruments, the Company recognizes impairment loss allowance on trade receivables and content advances based on historically observed default rates. Impairment loss allowance recognized during the financial year is charged to Statement of profit and loss.

iii. Financial assets at fair value through other comprehensive income

Financial assets at fair value through other comprehensive income are non-derivative financial assets held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses in the statement of profit and loss.

iv. Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. It includes non-derivative financial assets that are either designated as such or do not qualify for inclusion in any of the other categories of financial assets. Gains and losses arising from investments classified under this category is recognized in the Statement of profit and loss when they are sold or when the investment is impaired.

v. Impairment of Financial Assets

In the case of impairment, any loss previously recognized in other comprehensive income is transferred to the Statement of profit and loss. Impairment losses recognized in the Statement of profit and loss on equity instruments are not reversed through the Statement of profit and loss.

Impairment losses recognized previously on debt securities are reversed through the Statement of profit and loss when the increase can be related objectively to an event occurring after the impairment loss was recognized in the Statement of profit and loss.

When the Company considers that fair value of financial assets can be reliably measured, the fair values of financial instruments that are not traded in an active market are determined by using valuation techniques. The Company applies its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at each balance sheet date.

Equity instruments measured at fair value through profit or loss that do not have a quoted price in an active market and whose fair value cannot be reliably measured are measured at costless impairment at the end of each reporting period.

An assessment for impairment is undertaken at least at each balance sheet date.

vi. Derecognition of Financial Assets

A financial asset is derecognized only where the contractual rights to the cash flows from the asset expire or the financial asset is transferred and that transfer qualifies for derecognition. A financial asset is transferred if the contractual rights to receive the cash flows of the asset have been transferred or the Company retains the contractual rights to receive the cash flows of the asset but assumes a contractual obligation to pay the cash flows to one or more recipients. A financial asset that is transferred qualifies for derecognition if the Company transfers substantially all the risks and rewards of ownership of the asset, or if the Company neither retains nor transfers substantially all the risks and rewards of ownership but does transfer control of that asset.

vii. Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company is recognized at the proceeds received, net of direct issue costs.

viii. Financial Liabilities

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition they are classified as financial liabilities at fair value through profit or loss.

ix. Subsequent measurement

Financial liabilities are subsequently measured at amortized cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

x. Derecognition

A financial liability is derecognized only when the obligation is extinguished, that is, when the obligation is discharged or cancelled or expires. Changes in liabilities' fair value that are reported in profit or loss are included in the Statement of profit and loss within finance costs or finance income.

2.8 Income taxes

Tax expense comprises current income tax and deferred tax. Current income-tax expense is measured at the amount expected to be paid to the taxation authorities in accordance with the Income-tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred tax is provided using the balance sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, the carry forward of unused tax credits and unused tax losses can be utilised.

Income Tax (Deferred tax and Current tax) relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off, current tax assets against current tax liabilities and the deferred taxes relate to the income tax levied by the same taxation authority.

2.9 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. Revenue is shown as net of all applicable taxes and discounts.

Revenue from Operations & Maintenance contracts is recognized pro rata over the period of the contract, as per the terms of the contract.

Interest Income is accounted on time proportionate basis using effective interest rate method.

2.10 Borrowing Cost

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

2.11 Inventory

Inventories are measured at the lower of cost and net realizable value after providing for obsolescence, if any. Cost of finished goods and work-in-progress include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. The net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

2.12 Provisions, Contingent liabilities and Contingent Assets

Depending upon the facts of each case and after due evaluation of legal aspects, claims against the Company are accounted for as either provisions or disclosed as contingent liabilities. In respect of statutory dues disputed and contested by the Company, contingent liabilities are provided for and disclosed as per original demand without taking into account any interest or penalty that may accrue thereafter.

The Company creates a provision when there is a present obligation as a result of past event that probably requires an outflow of resources and reliable estimates can be made of the amount of obligation. A disclosure of contingent liability is made when there is possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of the obligation cannot be made. Contingent assets are not recognized but disclosed in the financial statements, where economic inflow is probable.

2.13 Employee benefits

Short term employee benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized during the year when the employees render the service. These benefits include performance incentive, salaries and wages, bonus and leave travel allowance and other welfare and terminal benefits (incl. ex gratia payments).

The Company does not make any contribution to provident fund and Employees' State Insurance Funds due to non-applicability of such provision on the company as prescribed under the respective legislation Further no provision for encashment of leave and gratuity been made by the company. However Subsidiary Company (Ayushman Infratech Private Ltd) is making contribution to Defined Contribution Plans such as provident fund scheme as an expense, when an employee renders the related service and also to Defined Benefits Plans such as gratuity to the employees as per The Gratuity Act, 1972.

2.14 Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders of the Company by the weighted average number of the equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit or loss for the year attributable to equity shareholders of the Company and the weighted average number of shares outstanding during the year is adjusted for the effect of all dilutive potential equity shares.

2.15 Cash and Cash Equivalents

Cash and cash equivalent consist cash in hand and balances in banks which are unrestricted for withdrawal and usage. The company considers all highly liquid financial instruments, which are readily convertible into known amount of cash that are subject to an insignificant risk of change in value and having maturities of three months or less from the date of purchase, to be cash equivalents.

2.16First time adoption of Ind AS

For all periods, up to and including the financial year ended 31st March, 2018, the Company prepared its Financial Statements in accordance with accounting standards notified under the Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP or Previous GAAP).

These Financial Statements for the financial year ended 31st March, 2019 have been prepared in accordance with Indian Accounting Standards ("Ind-AS") consequent to the notification of the Companies (Indian Accounting Standards) Rules, 2015 (the Rules) issued by the MCA. These are the first Ind-AS Financial Statements of the Company, wherein the Company has restated its Balance Sheet as at 1st April, 2017 and Financial Statements for the financial year ended and as at 31st March, 2018 also as per Ind-AS. Consequently, in preparing these Ind AS Financial Statements, the Company has availed certain exemptions and complied with the mandatory exceptions provided in Ind AS 101, as explained below.

Exemptions and Exceptions availed

Set out below are the Ind AS 101 optional exemptions availed as applicable and mandatory exceptions applied in the transition from previous GAAP to Ind AS

i) Fair value as deemed cost exemption

The Company has elected to measure items of property, plant and equipment and intangible assets at its carrying value at deemed cost at the transition date.

(ii) The management assessed that the fair values of cash and cash equivalents, trade receivables, other financial assets, trade payables and other financial liabilities approximates their carrying amounts largely due to the short-term maturities of these instruments.

42 Financial Risk Management

The Company has a Risk Management Policy which covers risk associated with the financial assets and liabilities. The different types of risk impacting the fair value of financial instruments are as below:

a) Credit Risk

The credit risk is the risk of financial loss arising from counter party failing to discharge an obligation. The credit risk is controlled by analysing credit limits and credit worthiness of customers on continuous basis to whom the credit has been granted.

The Company also monitors outstanding trade receivables regularly and takes timely corrective / legal action for recovery.

Judgments are required in assessing the recoverability of overdue trade receivable. The company follows the simplified approach for recognition of impairment loss. The expected credit loss is based on historical loss experience and analysis of individual customer account balances.

b) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The company is not exposed to any market risk.

Notes forming part of the financial statements as at 31 March 2019

c) Liquidity Risk

The Company determines its liquidity requirement in the short, medium and long term. This is done by drawings up cash forecast for short term and long term needs.

The Company manage its liquidity risk in a manner so as to meet its normal financial obligations without any significant delay or stress. Such risk is managed through ensuring operational cash flow while at the same time maintaining adequate cash and cash equivalent position. The management has adopted a policy of managing assets with liquidity monitoring future cash flow and liquidity on a regular basis. Surplus funds not immediately required are invested in fixed deposit which provide flexibility to liquidate.
